

**Invitation**  
**Young Woman Competition Development Day**  
**Sunday 3<sup>rd</sup> November 2024**  
**Hosted by the Nowra Show Society**

The Nowra Show Society is pleased to invite participants to attend an annual personal development day for Sydney Royal AgShows NSW Young Woman Competition entrants as they prepare to enter their local and/or Zone Competition. The day will incorporate a 'farm visit' providing participants with an exciting, hands-on, agricultural experience in addition to sessions focusing on how to prepare for further stages of the Competition.

Show Societies are encouraged to send along young women who are thinking of entering the competition, whether this year or in the future years, or current entrants who are preparing for their local Competition or 2025 Zone Finals. It is also an excellent opportunity for any young woman who wishes to further their career prospects by gaining the self-confidence necessary to pursue their field of choice.
