The Monaro Stationhand Challenge

Background

Sheep and cattle have been at the centre of the Monaro farming systems since European settlers first trekked into the region in the 1820's. The region is the fourth largest wool producing district in the AWEX regional classification for NSW. The region is renowned for the quality of the wool and the "doing" ability of its sheep and cattle. Similarly, the skills of the stockman that produce the stock are highly recognised. The stationhand is essential to the efficiency and profitability of a modern farming operation. A good stationhand with traditional and modern tools is an invaluable asset.

The Objective of the Monaro Stationhand Challenge

The objective is to find the best three stationhands who demonstrate accomplishment and confidence in the traditional skills, the initiative and understanding of modern skills involving IT and WH&S, and the temperament and understanding of animal behaviour to minimise stress on stock.

Thus, the requirement is to demonstrate the full range of skills and understanding required to work effectively in a modern progressive farming operation.

The Overall Structure - Skills to be Challenged

The skills to be tested fall into three broad categories

- •Traditional hands-on skills that underpin the daily operations of a farming enterprise
- •Modern science and IT skills required to drive performance and economy in the 21st century
- •Demonstrated knowledge and understanding of the laws, WH&S regulations, and the social licence that the industry operates under.

Categories

There are three age classifications.

Participants to provide proof of age at registration

- Junior station hand 16 years and under
- •Jackaroo/Jillaroo 17 to 25 years of age
- Senior station hand / overseer 26 years and older

Skills to be assessed in 2023

Overriding all of the assessment of skills is a demonstration of temperament, patience, foresight and respect for the animals they are handling, respect for the equipment they are using, and respect for those they are relating to—this is a key assessment criteria that applies to all tasks assessed.

1. Assessment and classing of commercial sheep

- 1.1. Visually assess and score 12 commercial merino ewes according to AWI/MLA Visual Sheep Scores, Version 2 2013.
- 1.2. Using the objective data provided and the visual assessment class ewes into Studs, Flock and Terminals
- 1.3. Condition Scoring

2.Ram Selection using ASBVs

Using a set of breeding objectives, subjective data and ASBVs (to be provided), the stationhand has been asked by his employer to attend a local annual stud ram sale and purchase three rams. The stationhand is to select the three rams and a reserve selection that best meet the specified breeding objectives.

This is a paper exercise.

3.Woolclassing

Class and score six commercial fleeces

4.Weed assessment

Assess a number of stationery displays and exhibits of weeds

5. Grain assessment

Assess a number of grain samples.

6.Cattle judging

As part of the local cattle judging competition, visually judge a number of select animals

7.Bull Selection using EBVs

Using a set of breeding objectives, subjective data and EBVs (to be provided), the stationhand has been asked by his employer to attend a local annual stud bull sale and purchase three bulls. The stationhand is to select the three bulls and a reserve selection that best meet the specified breeding objectives.

This is a paper exercise.

8.Pest Animal Management

Identify a number of pest and feral animals from photographic and static displays

9.Legal and WH&S multiple-choice exam

A 10 to 15 multiple choice exam on legal and WH&S that apply to a modern farming operation.

Entry Fees

Entry Fees are \$5 for the junior stationhand category, \$15 for the jackaroo/jillaroo and senior stationhand classes.

Ribbon & Prize Pool

The entry fees will form part of the pool of prize money in conjunction with donations from sponsors. Detail of the total prize pool will be provided prior to the competition.

Each age category winner and the runner up will receive a winner's sash

Registration

Pre-registration is preferred so that numbers can be managed.

Those that register on the day may not be admitted to the competition if numbers are excessive.

Pre-registration can be undertaken by sending an email to:robguthrie59@gmail.com

Please state in the subject line "Monaro Stationhand Challenge Registration". In the body of the email provide Name, age category, and mobile number.

Prizes: Rug + 1st \$450; 2nd \$240; 3rd \$160; 4th \$115; 5th \$60

The "Nimmity Bell" show jumping pointscore is a competition run over 4 shows – Nimmitabel, Delegate, Dalgety and Bombala.

The "Nimmity Bell" trophy is to be awarded to the horse & rider combination with the highest pointscore in open competition over 4 shows.

This will be awarded at the completion of Show jumping events at the Bombala Show.

- **1.**Horses can only score in **80cm** or higher, novelty events excluded, All entrants in these events will be eligible for the "Nimmity Bell Pointscore" regardless of the total amount of entries in one class.
- 2.A horse & rider combination can only score once at each show.

 This score will be their best placing from that show. If a horse fails to place in an event, it will score zero for that show. The points will be awarded as follows:

 1st = 5 points, 2nd = 4 points, 3rd = 3 points, 4th = 2 points, 5th = 1 point, no placing yet eligible = 0 points.

 In the case of "tied" placings the points and prize money will be spilt.
- **3.Horses and rider combination must compete at all 4 shows** to be eligible for the "Nimmity Bell Pointscore". The only exception will be if an official vet / doctor's certificate is presented to the official scorer indicating the horse/ rider's inability to compete at one of the 4 shows.
- **4.**Any disputes regarding the "Nimmity Bell Pointscore" must be directed to Anita Walder 0428613344 to be dealt with. SPECIAL CONDITIONS

THE ASC RICH FRUIT CAKE COMPETITION

Here's what you need:

250g (8oz) Sultanas

250g (8oz) Chopped raisins

250g (8oz) Currants

125g (4oz) Chopped mixed peel

90g (3oz) Red glace cherries

90g (3oz) Chopped blanched almonds

1/2 Cup sherry or brandy

250g (8oz) Plain flour

60g (2oz) Self raising flour

1/4 Tsp. Grated nutmeg

1/2 Tsp. Ground ginger

1/2 Tsp. Ground cloves

250g (8oz) Butter

250g (8oz) Soft brown sugar

½ Tsp. Lemon essence OR finely grated lemon rind

1/2 Tsp. Almond essence

½ Tsp. Vanilla essence

4 Large eggs

Here's what you do:

Mix together all of the fruits and nuts and sprinkle with sherry or brandy. Cover and leave for at least 1 hour, but preferably over night.

Sift together the flours and spices. Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after each addition, then alternately add the fruit and flour mixtures. Mix throughly. The mixture should be stiff enough to support a wooden spoon.

Place the mixture into a prepared square 20cm x 20cm (8" x 8") tin and bake in a slow oven for approximately 3 ½ - 4 hrs. Allow the cake to cool in the tin.

Note:

To ensure uniformity and depending on the size, it is suggested that the raisins be snipped into 2 or 3 pieces; cherries into 4-6 pieces and almonds crosswise into 3-4 pieces.

Winners at Country Shows will be required to bake a second "Rich Fruit Cake" in order to compete in a group final to be conducted by each of the 14 groups of the Agricultural Societies Council of NSW.

Show Cooking Hints

Plates: Please use paper plates where possible, ensure that they are larger than the cake and they are as flat as possible.

Cakes should not hang over the sides or the plate/board.

Place both plate/board in a plastic bag. Do not use cling wrap.

Making Cakes for Showing.

Cakes should be evenly cooked, with good texture and no large holes when cake is cut. There should be no dents on the outside of the cake. If the tin is required to be lined, just line the bottom of the tin, not up the sides, unless it is a fruit cake.

Cut paper to the size of the bottom by tracing around the tin.

Allow cakes, muffins or cup cakes to stand before turning them out onto a cooler.

Place towel and paper over the cooler so no wire marks appear on the bottom of the cake/s.

Do not place hot cakes onto plates as they sweat and stick onto the plate.

Fruit cakes can be made the weekend before the show.

Date Loaf, butter cakes, muffins, biscuits and slices can be made on the Wednesday or Thursday.

Sponges, scones, pikelets on Thursday afternoon or night.

Scones: When cooking scones do not place too much flour on surface that they are being made on.

Wipe excess flour from scones once they are cooked.

Lamingtons: are judged on texture and daintiness. They should be of all equal size and 5cm square. Slices: should be cut into 4cm squares. Do not show the slice pieces that were cooked on the edge of the tin.

No cakes are to be cooked in ring tins.

No packet cakes to be used unless otherwise stated.
