

June 2020

Dear NSW Show Members

Thank you for the opportunity to provide you with information on event ticketing. I may have met some of you in January at the national conference on the Gold Coast. We hosted the welcome function and I spoke on the Saturday about marketing and ticketing.

We have extensive experience working with AG Shows and offer a personalised client management solution. We exclusively offer a flat rate of just \$0.50 per ticket sold for your industry.

We will set up your event so you have 24/7 access to live reports and data, including owning the customer database for future marketing.

We assist clients with the following options:

- Online Pre-Sales (all ticket types)
- Complimentary Tickets for Judges/Officials (Free Bulk Upload option using a CSV)
- Members Tickets (pre-sale and scannable card options)
- Pop-up style pre-sales (shopping centres, markets etc)
- Office pre-sales
- Onsite gate sales (live tracking of sales, cash/card, gates, attendees, scans)
- Onsite gate equipment hire (scanner guns, POS etc)
- Onsite ticketing management (working with volunteers)
- Onsite treasury services (money collections)
- Ticketing products (Lanyards, Wristbands, Stamps etc)
- NEW – Ag Show Websites (from \$2500)
- NEW – Cashless Bar Service (very volunteer friendly, speeds up service, decreases theft)

I welcome the opportunity of providing you with a free ticketing consultation, quote and demonstration (video).

I look forward to hearing from you.

Best wishes.
